VOL - LV Aizawl, Friday 11.9.2026, Bhadra 20, S.E. 1948, Issue No. 766

NOTIFICATION

No. A.12018/1/2026-FCS&CA(LM), Aizawl, the 11th September, 2026: In exercise of the powers conferred by section 53 of the Legal Metrology Act, 2009 (Act No. 1 of 2010) and in supersession of the Mizoram Legal Metrology (Enforcement) Rules, 2010, the Government of Mizoram hereby makes the following rules, namely: -

1. Short title and commencement –

- (1) These rules may be called the Mizoram Legal Metrology (Enforcement) Rules, 2026.
- (2) They extend to the whole of Mizoram.
- (3) They shall come into force on the date of their publication in the Official Gazette.

2. Definitions –

In these rules, unless the context otherwise requires –

- (a) “Act” means the Legal Metrology Act, 2009.
- (b) “Reference Standards Laboratory” means a laboratory set up by the Central Government under the Act, where Reference Standards, Secondary Standards and Working Standards are maintained.
- (c) “Schedule” means a schedule appended to these rules.
- (d) Words and expressions used in these rules and not defined, but defined in the Act, shall have the meanings respectively assigned to them in the Act.

3. Reference Standards –

The Reference Standards shall be kept at such place, in such manner and in such custody as prescribed under the Legal Metrology (National Standards) Rules, 2011.

4. Secondary Standards –

- (1) Every Secondary Standard shall be verified at any of the Reference Standards Laboratories, in such manner and at such periodic intervals as may be prescribed under the Legal Metrology (National Standards) Rules, 2011 and shall, if found on such verification to conform to the standards established by or under that Act, be stamped by Reference Standards Laboratory or a certificate of verification shall be issued by that laboratory.
- (2) The Secondary Standards shall be kept at such place and in such custody as the Controller may direct.

5. Working Standards –

- (1) Every Working Standard shall be verified either at any of the Reference Standards Laboratories or at any of the Secondary Standards Laboratories maintained by the State Government, in such manner and at such periodic intervals as may be prescribed under the Legal Metrology (National Standards) Rules, 2011 and shall, if found on such verification to conform to the standards established by or under the Act, be stamped or certificate of verification shall be issued by that laboratory as the case may be.
- (2) The Working Standards shall be kept in the custody of Legal Metrology Officer.

6. Secondary Standard Balances –

- (1) A set of Secondary Standard Balances shall be maintained at every place where Secondary Standard Weights are kept.
- (2) The number, types and specifications of such balances shall be as prescribed under the Legal Metrology (General) Rules, 2011.
- (3) Every Secondary Standard Balance shall be verified at least once within a period of twelve months and shall be adjusted, if necessary, to ensure that it conforms to the limits of sensitivity and other metrological qualities prescribed under the Act, by the Reference Standards Laboratory or by the Controller or such other officer as may be authorized by the Controller in this behalf.

7. Working Standard Balances –

- (1) A set of Working Standard Balances shall be maintained at every place where Working Standard Weights are kept.
- (2) The number, types and specifications of such balances shall be as prescribed under the Legal Metrology (General) Rules, 2011.
- (3) Every Working Standard Balance shall be verified at least once within a period of twelve months and shall be adjusted, if necessary, to ensure that it conforms to the limits of sensitivity and other metrological qualities prescribed under the Legal Metrology (General) Rules, 2011, by the Reference Standard Laboratory or at any of the place where Secondary Standards are maintained by the State Government.

8. Physical characteristics, configuration, constructional details of Weights and Measures –

Every Weight or Measure used or intended to be used in any transaction or for protection shall conform, as regards physical characteristics, configuration, constructional details, materials, performance, tolerances and such other details, to the specifications prescribed under the Act or the Legal Metrology (General) Rules, 2011.

9. Use of Bullion Weights, Carat Weights, etc. –

- (1) No weight other than a bullion weight as specified in the Legal Metrology (General) Rules, 2011 shall be used in any transaction or protection in bullion including precious metals, pearls, ornaments or other articles made of gold or silver.
- (2) No weight other than a carat weight as specified in the Legal Metrology (General) Rules, 2011 shall be used in any transaction in precious stones.

- (3) Only beam scale of Class A or Class B category or a non-automatic weighing instrument of high accuracy class (Class II) or special accuracy class (Class I) shall be used in any transaction or protection referred to in sub - rules (1) and (2).
- (4) In the sale or purchase of gold, silver, platinum, or any other precious metal, or ornaments and articles made of such metals, only Class I or Class II non-automatic weighing instruments having a verification scale division not exceeding one milligram (0.001 gram) shall be used.

10. Use of weights only or measures only or number only in certain cases –

Except in the cases of commodities specified in SCHEDULE - I, the declaration of quantity in every transaction, dealing or contract, or for protection shall be in terms of the unit of –

- (a) weight, if the commodity is solid, semi - solid, viscous or a mixture of solid and liquid;
- (b) length, if the commodity is sold by linear measure;
- (c) area, if the commodity is sold by area measure;
- (d) volume, if the commodity is liquid or is sold by cubic measure; or
- (e) number, if the commodity is sold by number.

11. Registration of Manufacturer, Repairer and Dealer of Weights and Measures –

- (1) Every manufacturer, repairer or dealer of weights and measures shall make an application to the Controller or any officer authorized by him in this behalf for registration through the designated online portal as may be notified by the State Government in the Official Gazette.
- (2) The online application forms for registration as manufacturer, repairer or dealer shall be in Form - RM - 1, Form - RR - 1 and Form - RD - 1, respectively, as specified in SCHEDULE - II.
- (3) Every registration granted to a manufacturer, repairer or dealer shall be in Form - RM - 3, Form - RR - 3 and Form - RD - 3, respectively, as specified in SCHEDULE - III.
- (4) The fees for registration as specified in SCHEDULE - IV shall be paid online through the designated portal.
- (5) The Controller or any officer authorized by him in this behalf shall maintain a record of registered manufacturers, repairers and dealers in the form specified in SCHEDULE - V.
- (6) Every registration under the Act shall be displayed in a conspicuous place at the premises where the registration holder carries on business.
- (7) Registration under the Act shall be based on self-declaration and shall remain valid in perpetuity unless suspended or cancelled under the provisions of the Act or these rules. No prior inspection shall be required for grant of such registration, and the registration shall not be transferable.
- (8) On submission of the required documents and payment of the prescribed fee, the registration certificate shall be granted within 14 working days from the date of submission of the application, failing which the registration shall be deemed to have been granted.

12. Suspension and Cancellation of Registration granted –

- (1) The Controller or any officer authorized by him in this behalf may, if he has reasonable cause to believe that the holder of any registration under the Act has made any statement in, or in relation to, any application for the continuance of registration which is incorrect or false in any material

particular, or has contravened any provision of the Act or any rule or order made thereunder, suspend such registration pending completion of the inquiry in respect of such registration:

Provided that no such registration shall be suspended unless the registrant thereof has been given a reasonable opportunity of showing cause against the proposed action.

Provided further that where the inquiry referred to in this sub-rule is not completed within a period of three months from the date of suspension of a registration, such suspension shall, on expiry of the said period, stand vacated.

- (2) The Controller or such other officer authorized by him in this behalf may, if he is satisfied, after making such enquiry as he may think fit, that the registrant has made a false or incorrect statement of the nature referred to in sub-rule (1), or has contravened any law or order referred to in that sub-rule, cancel such registration:

Provided that no such registration shall be cancelled unless the holder thereof has been given a reasonable opportunity of showing cause against the proposed action.

- (3) Every person whose registration has been suspended shall, immediately after such suspension, cease to function as such registrant and shall not resume business as such registrant until the order of such suspension has been, or stands, vacated.
- (4) Every person whose registration has been suspended or cancelled shall, after such suspension or cancellation, as the case may be, surrender such registration to the Controller.
- (5) Every person whose registration has been cancelled shall, within a period of thirty days from the date of such cancellation, or within such further period, not exceeding three months from such date, as the Controller or such other officer authorized by him in this behalf may, on sufficient cause being shown, allow, dispose of the weights or measures which were in his possession, custody or control on the date of such cancellation; and, in the event of his failure to do so, the Controller or any other officer authorized by him in writing in this behalf may seize and dispose of the same and distribute the proceeds thereof in such manner as may be prescribed.

13. Records to be maintained by manufacturers, etc. –

Every manufacturer, repairer or dealer in weights or measures registered under the Act and these rules shall maintain records and registers in the appropriate form set out in SCHEDULE - VI and shall also submit such periodic reports/returns as may be specified.

14. Periodicity of Verification of Weights and Measures –

The periodic verification of Weights or Measures shall be carried out at such intervals as specified in the Legal Metrology (General) Rules, 2011.

15. Verification and Inspection of Weights and Measures –

- (1) Every person seeking verification and stamping of weights and measures used for commercial purposes shall make an application online through the designated portal as may be notified by the State Government in the Official Gazette.
- (2) Verification and stamping of low-risk weights and measures as specified in SCHEDULE - 1A shall be made on the basis of self-certification submitted by the applicant in FORM - A annexed to SCHEDULE - 1A.

- (3) Verification and stamping of all other categories of weights and measures as specified in SCHEDULE - 1A shall be made on the basis of third-party certification, subject to the availability of such certification or verification by the State Government, as specified in FORM - B annexed to SCHEDULE - 1A.

Explanation – For the purposes of this rule, “third-party” means a registered repairer holding a valid registration granted by the Controller.

- (4) Fees for verification and stamping of weights and measures as specified in rule 17 shall also be paid by the applicants.
- (5) Every weight or measure shall be verified in a clean condition and, if necessary, the Legal Metrology Officer shall require the owner or user to make the necessary arrangements for the purpose.
- (6) A Legal Metrology Officer may visit, as frequently as possible during the period specified in rule 14, every premise within the local limits of his jurisdiction to inspect and test any weight or measure which is being or is intended to be used in any transaction or for protection.
- (7) The Legal Metrology Officer shall obliterate the stamp on any weight or measure if it is found during inspection that –
- (a) any weight or measure which, being due for re-verification, has not been submitted for such re-verification; or
 - (b) any weight or measure which does not conform to the standards established by or under the Act:

Provided that where the Legal Metrology Officer is of the opinion that the defect or error in such weight or measure is not such as to require immediate obliteration of the stamp, he shall inform the user of the defect or error found in the weight or measure and shall call upon user to remove the defect or error within such time, not exceeding eight days, and shall –

- (i) if user fails to remove the defect or error within that period, obliterate the stamp; or
- (ii) if the defect or error is so removed as to make the weight or measure conform to the standards established by or under the Act, verify and stamp such weight or measure.

Explanation – The obliteration of the stamp on any weight or measure shall not take away or abridge the power of the Legal Metrology Officer to seize such weight or measure in accordance with the provisions of the Act.

16. Stamping of Weights or Measures –

- (1) The Legal Metrology Officer shall stamp every weight or measure if, after testing and verification, he is satisfied that such weight or measure conforms to the standards established by under the Act, with a stamp of uniform design issued by the Controller, which shall indicate the number allotted for administrative purposes to the Legal Metrology Officer by whom it is stamped.

Provided that if, by reason of the size or nature of any weight or measure, it is not desirable or practicable to put a stamp thereon, the Legal Metrology Officer shall take such action as may be directed by the Controller by a general or special order in writing.

- (2) The Legal Metrology Officer shall also mark the year and the quarter of stamping on every verified weight or measure, except when the size or nature of such weight or measure makes it impracticable.

Explanation – A year shall be deemed to consist of four quarters, of which the first quarter shall comprise the months of January, February and March, which shall be marked as A; the second quarter shall comprise the months of April, May and June, which shall be marked as B; the third quarter shall comprise the months of July, August and September, which shall be marked as C; and the fourth quarter shall comprise the months of October, November and December, which shall be marked as D.

- (3) On completion of verification and stamping, the Legal Metrology Officer shall issue a certificate of verification in the form set out in SCHEDULE - VII.
- (4) Where a certificate of verification is lost or destroyed, the holder of the certificate of verification shall forthwith apply to the Legal Metrology Officer for a duplicate certificate of verification. Every such application for a duplicate certificate shall be accompanied by the prescribed fee as notified by the State Government from time to time.
- (5) On receipt of an application under sub - rule (4), the Legal Metrology Officer shall issue to the applicant a duplicate copy of the certificate of verification marked “DUPLICATE”.

17. Fee for verification –

- (1) Fees payable for verification and stamping of weights or measures at the office or camp office of the Legal Metrology Officer shall be as specified in SCHEDULE - IX.
- (2) If, at the request of the user of a weight or measure, verification is carried out at any premises other than the office or camp office of the Legal Metrology Officer, an additional fee shall be charged at half the rate specified in the SCHEDULE - IX, and the user of the weight or measure shall pay the expenses incurred by the Legal Metrology Officer for visiting the premises, including the cost of transporting and handling the Working Standard and other equipment, subject to a minimum of rupees one hundred:

Provided that no additional fee shall be charged for verification and stamping of weights and measures in situ of –

- (3) Vehicle tanks for petroleum products and other liquids; meters for liquids other than water (fuel dispenser, Liquid Petroleum Gas dispensers, milk dispensers); Compressed Natural Gas dispensers; non - automatic weighing instruments such as weighbridges, platform machines and crane scales; automatic gravimetric filling instruments; automatic rail weighbridges; discontinuous totalizing automatic weighing instruments; and such other weights or measures which cannot, and should not, be moved from their location.
- (4) Weights or measures in the premises of the manufacturer or dealer of such weights or measures.
- (5) If a weight or measure is presented to the Legal Metrology Officer for re-verification after expiry of the validity of the stamp, an additional fee at half the rates specified in SCHEDULE - IX shall be payable for every quarter of the year or part thereof.
- (6) Full fee shall be payable for re-stamping any weight or measure held in stock by a manufacturer or dealer within the period specified in rule 14 from the date on which it was last stamped, provided that the original stamp has not been obliterated.
- (7) A weight or measure which, on verification or inspection, is found to be incorrect shall be returned to the person concerned for adjustment, and the Legal Metrology Officer shall inform him, in a proforma specified by the Controller, of the defects found in the weight or measure and call upon him to remove the defects within a period not exceeding seven days. When the necessary

adjustment has been carried out, such weight or measure shall be verified on payment of the fees specified in SCHEDULE - IX and, if found correct, shall be stamped.

18. Collection of fees and deposit into the Treasury –

- (1) Before commencing the work of verification, the Legal Metrology Officer shall inform the person concerned of the fees payable by him and shall receive the same in the manner authorized by the Controller and issue a receipt in the form approved by the Controller, one copy of such receipt being kept on record.

Provided that fees payable by a department of the Central or State Government under these rules may be realized in such manner as may be directed by the Controller.

- (2) The Legal Metrology Officer shall maintain a register, in the form approved by the Controller, which shall be written up from day to day and shall show the amount of fees and other charges collected during the day.
- (3) All payment received by the Legal Metrology Officer during the month shall be paid into the Government Treasury under the appropriate "Head of Account" on such dates or days as may be specified by the Controller from time to time, and a receipt thereof be obtained and an intimation to that effect be sent to the Controller or other officer authorized by him in this behalf.
- (4) Fees for verification and stamping of weights and measures shall be paid through offline or online modes as may be notified by the State Government in the Official Gazette.

19. Disposal of seized articles, goods or items –

- (1) Any un-verified weight or measure shall be returned to the person from whom such weight or measure was seized if that person gets the same verified and stamped within fifteen days of the date of seizure, on payment of the prescribed fee, including the additional fee payable for undertaking re-verification after the expiry of the validity of the stamp.
- (2) Any weight or measure, document, thing or goods seized and detained under section 15 of the Act which is to be the subject of proceedings in a court shall be produced by the Legal Metrology Officer before the court and, after the conclusion of the proceedings, shall be taken into possession by the Legal Metrology Officer and dealt with in accordance with the orders of the court:

Provided that, in the absence of any order from the court, the weight or measure, document, thing or goods shall be dealt with as the Controller may, by special order, direct, and the material thereof shall be sold and the proceeds credited to the Government.

- (3) If any goods seized under section 15 of the Act are subject to speedy or natural decay, the Legal Metrology Officer shall have the goods weighed or measured on a verified weighting or measuring instrument available with him or nearest to the place of the offence and enter the actual weight or measure of the goods in a form specified by the Controller for this purpose, and shall obtain the signature of the trader, his agent or such other person who has committed the offence. The goods in question shall be returned to the trader or the purchaser, as the case may be:

Provided that, if the trader, his agent or such other person who has committed the offence refuses to sign the form, the Legal Metrology Officer shall obtain the signatures of not less than two persons present at the time of such refusal by the trader, his agent or other person. In the case of goods returned to the trader, he shall give an undertaking that he shall not sell the defective goods without rectifying the defects therein.

- (4) Where the goods seized under sub-section (1) of section 15 of the Act are contained in a package and the package is false or does not conform to the provisions of the Act or any rules made thereunder, and the goods in such package are subject to speedy or natural decay, the Legal Metrology Officer, so far as may be, may dispose of the goods in such package in accordance with the provisions of sub - rule (3):

Provided that the Controller shall be the final authority to decide whether the goods seized and detained are subject to speedy or natural decay.

- (5) Where the goods seized under sub-section (1) of section 15 of the Act are not subject to speedy or natural decay, the Legal Metrology Officer may retain the package for the purpose of prosecution under the Act after giving the trader, his agent or such other person who has committed the offence a notice of such seizure.
- (6) The goods referred to in sub-rule (4) and (5), which are not to be the subject of proceedings in a court, shall, after the expiry of sixty days from the date of seizure, in cases where no legal proceedings arise, be dealt with in such manner as the Controller may, by special order, direct.

20. Validity of Weights or Measures duly stamped –

- (1) A weight or measure which is, or is deemed to be, duly verified and stamped under this rule shall be deemed to conform to the standards established by or under the Act at every place within the State where it is stamped, unless it is found on inspection or verification that such weight or measure has ceased to conform to the standards established by or under the Act.
- (2) No weight or measure which is, or is deemed to be, duly verified and stamped under this Act shall require to be re-stamped merely by reason of the fact that it is being used at any place within the State other than the place at which it was originally verified and stamped:

Provided that, where a verified weight or measure installed at one place is dismantled and re-installed at a different place, such weight or measure shall not be put into use unless it has been duly re-verified and stamped, notwithstanding that periodic re-verification of such weight or measure has not become due.

- (3) Where a verified weight or measure has been repaired, whether by a registered repairer or by the person owning and possessing the same, such weight or measure shall not be put into use unless it has been duly re-verified and stamped, notwithstanding that periodic re-verification of such weight or measure has not become due.

21. Provision of supply of Working Secondary Standards, equipment, etc., to the Legal Metrology Officer –

- (1) Every Legal Metrology Officer shall be provided with Working/Secondary Standards weights, Working/Secondary Standard balances, and such other weighing and measuring devices as may be approved by the Controller from time to time.
- (2) Every Legal Metrology Officer shall be provided with such dies, punches, paper seals/stickers and such other equipment as may be necessary for affixing the verification stamp, the design and number of which shall be approved by the Controller.
- (3) Every Legal Metrology Officer shall be provided with punches of suitable sizes of eight-pointed star for obliterating.

22. Provisions relating to use of weights, measure, etc. –

- (1) Every person using a beam scale in any transaction at his premises shall suspend the same by a hook from a stand or chain:

Provided that this sub-rule shall not apply to itinerant vendors.

- (2) Every weight or measure shall be used in clean condition and under proper lighting conditions.
- (3) Any weight or measure which has been verified and stamped in situ shall not be dismantled or removed from its original site without prior intimation to the Controller or any other person authorized by him in this behalf.
- (4) To ensure a proper check of the accuracy of a weighing instrument, the user shall keep at the site of each weighing instrument duly verified and stamped weights equal to one-tenth of the capacity of the instrument or a maximum of one tonne, whichever is less, so that consumers can also check the accuracy of the weighing instrument:

Provided that the Controller may specify the total number of verified and stamped weights to be maintained at trade premises where more than one weighing instrument is installed.

- (5) To ensure proper delivery of the petrol/diesel pumps, the retail dealer of the pump shall keep a verified 5-litre or 10-litre capacity measure at his premises and check the output from the pump every day to ensure correct delivery. In case of any short delivery, the dealer shall immediately stop delivery through the pump and inform the concerned Legal Metrology Officer for re-calibration the pump.

23. Certificate of Verification to be exhibited –

The person to whom a certificate of verification is provided shall exhibit the same in a conspicuous place at the premises where the weights, measures or weighing or measuring instruments to which the certificate relates are used.

Provided that, in the case of an itinerant vendor, the certificate shall be kept with the person.

Provided further that, in the case of a vehicle tank, the certificate of verification shall be kept with the vehicle.

24. Penalty for contravention of rules –

Whoever contravenes any provision of these rules, for the contravention of which no punishment has been separately provided in the Act, shall be punished with a fine which may extend to five thousand rupees.

Where any provision of these rules is inconsistent with the provisions of the Act, the provisions of the Act shall prevail.

25. Form of Appeal –

- (1) Every appeal under the Act and these rules shall be preferred in the form set out in SCHEDULE - IX and shall be accompanied by a copy of the order appealed against.
- (2) An appeal to State Government shall be accompanied by fee of ₹500, and an appeal to the Controller shall be accompanied by fee of ₹200, paid either in cash or by affixing a court-fee stamp, as the case may be.

26. Fee for Compounding of Offences –

The fee for compounding offences committed under the Act shall be as prescribed in SCHEDULE - X.
